

## Notice of Pending Financial Statement Filing

### Instructions

Arizona Revised Statutes (A.R.S.) §9-481 requires cities and towns to file a copy of their financial statements with the Arizona Auditor General pursuant to A.R.S. §41-1279.07 within 9 months after the close of each fiscal year. These financial statements must be posted in a prominent location on the city's or town's official website within 7 business days of filing the reports with the Arizona Auditor General and must be retained and accessible on the website for at least 60 months. For cities and towns that do not meet the March 31 filing deadline, the Arizona Auditor General has prescribed this Notice of Pending Financial Statement Filing form pursuant to A.R.S. §9-481(F).

The fillable form should be printed on the city's or town's letterhead and posted on its website in place of the financial statements. This instruction page does not need to be posted. Once the financial statements are filed and available on the website, the form should be removed. The form includes space to enter the following information:

- Entity name.
- The fiscal year in question.
- Reasons for the delayed report. Please detail the delay and include action being taken to complete the reports. If more than 1 fiscal year's reports have not been filed with the Arizona Auditor General, identify the fiscal years and discuss the progress made to complete the reports.
- Estimated date for completion. Enter the projected date that the statements, including the auditors' report, will be filed with the Arizona Auditor General.
- A contact name, title, phone number, and email address.

A copy of this form must also be sent to the Arizona Auditor General at [asd@azauditor.gov](mailto:asd@azauditor.gov), the Speaker of the House of Representatives (speaker), and the President of the Senate (president). The current speaker's and president's email addresses can be found on the [House of Representatives Member Roster](#) and [Senate Member Roster](#), respectively.

If the financial statements are not completed as prescribed on or before the city's or town's budget-adoption process pursuant to A.R.S. §§42-17103 and 42-17105, this form must be printed on the city's or town's letterhead and published in the budget in the subsequent fiscal year to notify taxpayers that the required financial statements are pending, the reasons for the delay, and the estimated date of completion.

Cities and towns should use this form, dated 3/21, for fiscal year 2020 financial statements and thereafter. As changes become necessary, we will post new forms on our website and notify cities and towns of the changes by email.

If you have any questions, please contact the Arizona Auditor General, Accountability Services Division, at (602) 977-2796 or email us at [asd@azauditor.gov](mailto:asd@azauditor.gov).
